

# JUG Worcester 1.0

## Meeting Minutes

**January 14th, 2019, 7PM**

Meeting was attended by Anita Wos, Robin Clapp and Olivier Buisard (of JUGNYC)

Meeting was online, using the Zoom tool.

**Note - this was the first official meeting of the Worcester Joomla User Group.**

7:00 PM meeting began.

We introduced ourselves.

We discussed the history of other groups, and progress on starting JUG Worcester.

Ideas - We talked about what things we could do to help get people together, communicate and help each other solve Joomla questions. We decided to add a forum to the JUGWorcester.org site.

Anita will add Kunena forum to the site, and will add Robin to the site so she can set up and start using it. Community Builder was mentioned as well.

We discussed inviting Joomla people who had been active in the New England JUG, which used to be active in VT, attendees of the JoomlaDay Boston, our personal contacts, etc to use the forum once it is set up.

We also will contact some key people in neighboring areas. Anita will contact the JUG NJ organizer, Laura Gordon. Robin will contact Dawn Russell.

We decided on a date for an in-person meeting to be held March 11th 7PM. Meeting to be held at Nonna's Pizza & Pasta in Worcester Ma. Anita will coordinate venue.

We discussed the need to come up with a speaker for the meeting, and will all actively seek a speaker.
